MAKE HYGIENE MONITORING A HABIT FOR EVERYONE

With the App, anyone can check cleanliness easily

Measure

Easy-to-use, results within 10 seconds

Swab

Swab the sample and insert the swab into main body

Measure

Shake well and insert into the Lumitester

Analyze

Measurements (RLU) displayed within 10 seconds

Understand

App to continuously monitor multiple data

Recorded data can be displayed in time-series by registering with our specialized App. Inspection pass rates are automatically graphed and improvements can be visualized. Employees will be more conscious of hygiene, and will maintain a high standard of environmental sanitation, which will help build greater trust in your business

Display time-series data for each inspection

Visualize overall inspection scores through graphs

Connect

Centralized multi-site data with cloud data management

Data will be stored in the cloud and can be accessed from anywhere in the world. This will allow fast detection and response to any problems that may arise.

Lumitester™ Smart

Product code: 1902653

Measurement time 10 seconds

Data output RLU (Relative Light Unit)

Power 2 alkaline or nickel hydride rechargeable batteries (AA)

Included Accessories 2 alkaline batteries (AA), Cleaning brush, USB cable, Strap, Quick Manual
